Investigation of the Deaths of Roseanne Young and Pamela Blue.

The defendant is Arnie Evans.

Results of examinations and analyses on the evidence described on the following property receipt are:

PROPERTY RECEIPT #2023402

Received from Pol. Juco, #3192, MCDU, 4/1/97, 2:53 AM

The following items were recovered from inside 146 Millick Street (ML#97-0380); Analysis did not detect the presence of blood on items #2-4:

Item #1 is one (1) tan bedroom slipper with a "PLUS GRANDE EURO-extra large 9 $\frac{1}{2}$ -10 $\frac{1}{2}$ " label. Examination did not detect the presence of blood on the slipper. A long strand of light medium brown human hair was removed from the side of the slipper.

Item #2 is one (1) tan bedroom slipper with a "PLUS GRANDE EURO-extra large 9 $\frac{1}{2}$ -10 $\frac{1}{2}$ " label. Brown stains are present on the slipper. A light tan animal hair and a very dark brown human hair were removed from the sole of the slipper.

Item #3 is a 20.2 cm long kitchen knife with a brown wooden handle. "GENEVA FORGE" is stamped into the 6.9 x 1.7 cm serrated blade.

Item #4 is a pink and blue striped towel with brown stains and a "THE HOME COLLECTION" label.

Item #5 is a thin length of yellow plastic encased copper wire with various markings.

PROPERTY RECEIPT #2076118

Received from Det. Bomborski, #9302, Hon., 12:43 PM

The following items were recovered from the body of Roseanne Young:

Item #1 consists of four articles (A-D):

A) is a tan envelope labelled "Head Hair 1355" containing a sample of long very dark brown human head hair;

B) is a tan envelope labelled "Pubic hair 1355" containing a sample of a mixture of dark brown and medium brown pubic hairs;

C) is a tan envelope labelled "NAIL CLIPPINGS-RIGHT HAND" containing a sample of combined synthetic and natural fingernail clippings painted lime green. Examination did not detect the presence of blood on the fingernails;

D) is a tan envelope labelled "NAIL CLIPPINGS-LEFT HAND" containing a sample of combined synthetic and natural fingernail clippings painted lime green. Examination did not detect the presence of blood on the fingernails.

Item #2 consists of two articles (A&B):

A) is a section of purple cloth material knotted at one end;

B) is an aqua and white wash cloth.

A and B were both received stained with human blood.
