Honorable Judge Guthrie,

I am a defense witness for Desiree Ann Shaw who has an active writ petition in your court, No. 09:05cv00032. I am interested in Mrs. Shaw's chance to present records and evidence to assert that the conviction and sentence were obtained by a conviction and sentence in violation of the Texas and U.S. constitution and federal law established by our Founding Fathers.

I am aware that Mrs. Shaw's family tried to retain a writ attorney in 1998<sup>08</sup> who later (and repeatedly) abandoned the preparation, presentation and follow-through of that application, beyond Mrs Shaw or her family's control.

I am also aware of the substantial diligence Mrs Shaw and her family have exercised trying to obtain records and information from the trial court as a bystander witness. I have provided phone records and affidavits concerning information I believe would have made a difference in her trial and appeals, that was available at trial but ignored by trial counsel.

If I can provide any information or serve the court in the interest of justice, please contact me. @ (943) 549-2287

Most respectfully submitted,

Katherine Barrett
