RE: Request Dated September 7, 2003

Dear Ms. Shaw:

Your above-referenced letter to Glenn Harrison at the Department of Public Safety Crime Lab has been forwarded to my attention for a response. Again, it is not clear to me what you are requesting from DPS.

If you wish to question Crime Lab personnel concerning the lab's evidence testing and handling procedures in connection with your case, you will need to do so pursuant to a subpoena or other appropriate court order. If you are seeking copies of documents you believe are relevant to your case, you will need to provide proof that the court has permitted you to proceed *pro se*, and you will have to describe specifically what document(s) you are seeking so we can determine whether we have any responsive records.

Sincerely,

A handwritten signature in cursive script that reads 'Pamela Smith'.

Pamela Smith
Assistant General Counsel
