TF: Today's date is March 30 007, the time is 11: 37 AM. This will be a recorded statement of Brigetta Glosson of 119 Church Street Bernice, LA. Date of birth 9-8-90. This statement is being taken in reference to a homicide that occurred in Bernice, La March the 24th. Okay, if you could just start from when you arrived at the party. Let's do that okay?

BG: When I arrived at the party, everybody, mostly everybody was outside, when they start playing, well I like music and everybody went inside and everybody was dancing.

TF: While you were there, did you see Dorian Morris?

BG: He came and talked to me.

TF: Okay, was this inside the party or outside?

BG: Outside the party.

TF: Okay. Do you know what time that was?

BG: No sir. Bout like, probably like about 10:30.

TF: Okay. About 10:30. What did you and him talk about?

BG: He said he ain't seen us in a long time. And he said he miss us going to Lillie together or some stuff.

TF: Okay. Was he having problems with anybody that you know of? At the party?

BG: He (inaudible) out of me.

TF: Okay. So ya'll went inside the party and what happened?

BG: Nothing.

TF: Okay. Eventually everybody came outside? The party was over?

BG: The party was getting over he had started playing that blues and everybody had went outside standing around and they started playing rap music.

TF: Okay. So someone started playing music from their car?

BG: Umhuh.

TF: Uh. Then what happened, I mean as far as people playing music from their car? Was there anybody talking trash to each other anything like that?

BG: Uhuh. They just started bossing around and that's when the Spearsville side jumped up off their car.

TF: Okay. And they jumped up off their car? What did they do?

BG: They all just got in a crowd, that's when the noise started. That is when they started talking noise to each other.

TF: Okay. Did you see Dorian talking to anyone?

BG: Uhuh.

TF: Who was he talking to?

BG: It was like everybody talking to each other and the Bernice girls they was dancing, the Spearsville girls they was standing there they was pushing on the Bernice boys.

TF: Okay. So there was a little bit of pushing?

BG: Mmhuh. Mostly the girls were pushing.

TF: Okay. Then what happened?

BG: Then the person that had the party, he came down there and broke them up again, he came down there broke them up and told them to move back and go home.

TF: Okay. After he told them to go home, what happened?

BG: Uh, they didn't, they didn't leave, he had broke them up then they had started back arguing and stuff then next thang I know when he uh when everybody next thing I saw was Decarlos and Dorian about to fight and Dorian was jumping around he had the knife out on Decarlos.

TF: Okay. Decarlos and Dorian were about to fight? You're standing right there? You are this close to them?

BG: Mhuh.

TF: Okay when you saw, did you see Dorian pull the knife out, or did he already have it when you saw him?

BG: He look like he already had it when I had saw him with it.

TF: Okay. Prior to you seeing this, was there ever a fight?

BG: Uhuh.

TF: Just trash talking. Okay, so you saw that Dorian had a knife. Do you know what hand he had the knife in?

BG: Uhuh, the next thing I know, Dorian had done ran away down there by Decarlos' car and I think...

TF: Okay. You saw Dorian and Carlos when Dorian had the knife, what did Carlos do?

BG: He was running back.

TF: Was Dorian going after him?

BG: Uhuh.

TF: Was he running or walking?

BG: He was like jumping around and Decarlos was jumping back.

TF: And was Carlos jumping back?

BG: I don't know, I guess he was scared.

TF: I mean, what was Dorian doing with the knife?

BG: Just doing it like this, like he was gonna cut him and then after that he had got away and he had ran

TF: Carlos did?

BG: Dorian.

TF: Okay and so what was he running from?

BG: He was getting away from Decarlos. I guess he was scared.

TF: Was Carlos hitting him?

BG: Uhuh. Decarlos didn't hit him. Just ...

TF: Did anybody hit him?

BG: I didn't see nobody hit him.

TF: But he got the knife and he is going at Carlos?

BG: Him and Carlos was like...first he was after Carlos and then it was like Carlos was jumping back and he was jumping back walking away from Carlos and that's when he went to them cars on the other side. On the other side of the tree.

TF: Dorian quit going after Carlos?

BG: Uh huh.

TF: And went to, and went beside a tree?

BG: Him and my cousin well Mr Woods.

TF: They went together?

BG: Uhuh. He was he was they was fixing to (inaudible) a fight Dorian, well both, Donzel broke it up then him and Dorian thought, I guess Dorian thought that he was trying to fight him and Dorian started slanging at Donzel and then he missed and he came back up and punched Dorian and him and Dorian started fighting.

TF: So Dorian got...

BG: Away from Decarlos

TF: And your cousin, did he help, I mean did he have any thing to do with that?

BG: Uhuh.

TF: Then Dorian goes to where your cousin is?

BG: He went up there, my cousin and em standing over there on that side of the tree, they uh they was standing on that side of the tree and Dorian was standing over there and Dorian was trying to get in the car and then they came out there and he was telling them to get back move away from and then I guess Dorian thought he was trying to fight him and Dorian swung at him but he missed

TF: Okay. What I am trying to find out all right Dorian leaves Carlos and Dorian goes and tries to get in his car?

BG: He had, Dorian don't have a car.

TF: Was he trying to get in a car?

BG: I don't know sir, all I know he just moved out away from Decarlos and he went out there beside some cars.

TF: Okay, so he went to a tree by some cars. At what point did Mr. Woods get involved in it?

BG: Breaking them up.

TF: Broke up, who did he break up?

BG: I don't know the boys all I know they was fighting and he broke em up.

TF: Was it a fight that Dorian was involved in? Okay. Who was Dorain fighting when he broke it up?

BG: I don't know, all I know they were fighting.

TF: Okay. Dorian leaves Decarlos and he goes over here and gets into it with some other guys?

BG: Uh huh.

TF: More than one?

BG: Uhuh. I think it was just one. It was just one.

TF: You don't know who that person was?

BG: Nuhuh.

TF: Okay, so he is fighting one person, and then Mr. Woods...

BG: Broke em, tried to break em up.

TF: How was he trying to break them up?

BG: He was pushing them apart.

TF: Both of them? He was trying to get between them?

BG: Uhuh.

TF: So he tries to get between them and what happened?

BG: Dorian swung at him.

TF: And what happened?

BG: They had started fighting and then Dorian swung at him and he missed and the other guy came back up and knocked him to the ground and Dorian came up with a knife.

TF: Did he already have the knife? I mean he had this knife out all this time?

BG: Uhuh. I don't know what happened to the knife when he had got through coming after Decarlos. I don't know what happened to the knife.

TF: So, when Donzel went to break this fight up...

BG: It wasn't no knife.

TF: There wasn't a knife. So he pulled a knife on Carlos then he gets in a fight with this guy, with no knife and then Donzel...

BG: When Dorian come back up off the ground he had the knife.

TF: Okay, so then Donzel tries to break this fight up, Dorian swings at him, misses, Donzel gets on him?

BG: Mmhuh.

TF: Knocks him down? And then Dorian gets up; he's got his knife?

BG: And I was pulling Donzel back telling him come on and Donzel didn't know he was cut, he was still going after Dorian.

TF: Dorian, I mean did Donzel knock Dorian to the ground? With like one punch knocked him down?

BG: Yes sir.

TF: Did you see where Donzel hit Dorian?

BG: uhuh.

TF: Where?

BG: It sound like it just hit him like in the chest or somewhere.

Bridgetta Glosson:
All pages

sp. Pg 7: And he had went
into a shock -- how
does she know that

TF: Okay, so he hits him in the chest, Dorian falls to the ground, Dorian gets up he has a knife. Do you know what hand the knife was in?

DM: (inaudible) he needs you to answer.

BG: No sir.

TF: All right when he got up, he had the knife. Now what does he do?

BG: He um stabbed.

TF: Stabbing at him? At Woods?

BG: Mhuh. Yes sir.

TF: What, I mean like this or is he swinging it side to side?

BG: He kinda had it like this then swung it like that.

TF: Okay. Did you actually see Mr. Woods get stabbed?

BG: I was behind him, telling him to come on. Pulling him back.

TF: Pulling on what? What...

BG: His shirt.

TF: And he is still fighting?

BG: Trying to fight him. Dorian had got away from him and he didn't know he was cut he was running and he had run up to a truck but the truck just (inaudible) down and then he ran down to the bottom of the road and he just, he went with my sister telling my sister to give him a ride to the hospital and he fell to the ground and that is when the car, whoever Dorian was in the car with, they pulled out and that is when Mr. Danny came up there and say is he all right then told em not to touch him. And then that is when they fixed at first they tried to tie a tourniquet around his neck to stop all the bleeding. That's when they, when Mr. Danny had arrived up there told him was he all right. And he had went into a shock by then and he told em not to touch him and then the ambulance came and then put him in the car and Decarlos drove him to the hospital.

TF: Okay. Uh so you are standing behind Woods holding his shirt, pulling his shirt saying come on, come on and so you are behind him. He is standing there he is still fighting and then Dorian has a knife still going at it. And then Dorian, what does he do while this fight is going on? How does that fight stop?

BG: After they had broke em up, after they had pushed them apart, I guess Dorian thought he (inaudible) was go try to help the boy but he wasn't he just started swinging at them then and when he after he had knocked him down to the ground I was pulling his shirt telling him to come on, but he had stabbed, by that time Dorian had got up and they were coming back.

TF: Okay. But who stopped Dorian from swinging the knife at him? Did Dorian just stop and run away or did...

BG: He ran away.

TF: Did you see blood at that time?

BG: We didn't know he was cut. He wasn't bleeding that bad and then when he noticed it blood just started coming out, his shirt had done got real bloody that's when he had ranned up to the truck.

TF: Where did Dorian run to, do you know?

BG: He was banging on some car. I don't know whose car it was. All I know it some kind of...

TF: Was anybody else after Dorian at that point? After they saw they this guy get stabbed, Mr. Woods, did a bunch of other dudes get after him?

BG: I didn't ever see nothing all I know Dorian was banging on the car, jumped in the car and bout that time ...

TF: So you are holding his shirt Dorian and Mr. Woods are fighting, Dorian has a knife and during that fight you are pulling his shirt, Dorian just stopped and leaves?

BG: Like I said I guess Dorain knew he had cut him. After he had cut him he ran back and he ran to the car.

TF: Okay. Do you know whose car he went to? Do you know if he got in that car?

BG: Mmhuh.

TF: He did get in it? That is all I have.

DM: Do you know the names of any of the Spearsville girls that was pushing?

BG: Uh, no sir. No sir.

DM: Uh do you know anybody else that was close by when you had grabbed Woods shirt, did you see anybody right there that you can identify when this was taking place?

BG: I don't know who was all right there.

DM: Can you describe the knife?

BG: No sir.

DM: Decarlo, did you ever see him with any kind of a weapon or knife?

BG: No sir.

DM: Did you see Woods with any kind of weapon or knife?

BG: No sir.

DM: Dorian, I don't know Dorian, I don't know Woods, what is there comparison as far as size?

BG: Uh Woods, tall, Woods taller than Dorian. Dorian's like Dorian come to like Woods chest

DM: Are you saying that Woods is a lot larger person than Dorian is?

BG: Yes sir.

DM: Okay. Did you see anybody else slinging a knife?

BG: No sir.

DM: Did you see anybody else having a gun or a club or anything like that?

BG: No sir.

DM: Lt Fulton, I have no further questions.

TF: That concludes this statement at 11:53 AM.
