Latent Prints Developed From 1992 Cadillac/Victim's Vehicle:

Twenty- six (26) latent lifts.

Latent Prints Developed from 1982 Cadillac/Suspect's Vehicle:

Three (3) latent lifts.

*Public Act 35 of 1994 requires: "The investigating officer of each criminal case being adjudicated shall advise the prosecuting attorney if a forensic test has been conducted in the case."*

**Results of Latent Lifts From Victim's Vehicle:**

The latent prints developed from the victim's vehicle were compared with the inked impressions of the above listed persons with the following identifications being made:

One (1) latent print marked taken from driver's side top of hood near front, is identified as having been made by the left palm of Anthony Thomas.

One (1) latent print marked taken from driver's side rear quarter panel, is identified as having been made by the left palm of Anthony Thomas.

One (1) latent print marked taken from passenger's side quarter panel and rear door, is identified as having been made by the left palm of Anthony Thomas.

One (1) <sup>all</sup> latent print marked taken from driver's side of roof of car, just behind moon roof, is identified as having been made by the right ring finger (digit #4) of DeWayne Julkes.

One (1) latent print marked taken from outside driver's side rear passenger door window, near front frame, is identified as having been made by the right palm of Dwayne Julkes.

Three (3) latent prints marked taken from outside passenger's side rear window, are identified as having been made by the right index finger (digit #2), the right middle finger (digit #3), and the right ring finger (digit #4) of Dexter Andre Rasco.

One (1) latent print marked taken from top trunk lid middle, toward passenger's side, is identified as having been made by the right middle finger (digit #3) of Dexter Andre Rasco.

**Results of Latent Lifts from Suspect's Vehicle:**

One of the latent prints developed is suitable for identification purposes and was compared with the inked impressions of the above listed persons with no identification being made.

**Latent Prints On File:**

The remaining latent prints will remain on file at the Bridgeport Crime Lab for any future comparison requests.
