Incident #  
2609-51

I was dispatched to 1575 Ribble reference a drive-by shooting. Upon arrival I met with Lashon CASTELL, she stated someone shot at her home for reasons she did not know. She said she was home with her boyfriend when the shots rang out. While speaking with her I noticed blood on the victims right shoulder, he then stated to me he had been shot during the incident. I requested medical personnel at this time.

The victim, who was not cooperative, did state he was cooking in the kitchen when he heard the gunfire, he says he ran from the kitchen towards the bedroom (from north to south) when he was shot. He did not hear or see a vehicle.

Lashon states she was lying in her bed in the SW bedroom when the shots began striking the home near the kitchen (through the living room, north side of the residence) she says she heard approx 16 shots but did not see or hear a vehicle.

I obtained 2 bullets from the SW bedroom 1 near the bed (at the foot) and one underneath the wicker chair these were turned over to Officer Uphold for his report. I then assisted him with the crime scene, locating several casing in and around the roadway in front of the residence.
